RE: Support for San Diego 2023 Pride Festival

To Whom it May Concern:

The Bankers Hill Community Group would like to go on record once again as supporting the San Diego Pride Festival to be held in Balboa Park this year on July 15 and 16, 2023. The Bankers Hill Community, directly adjacent to the festival location on the west side of the park, has supported this important event for the past seven years.

San Diego Pride is keenly aware of the impact of the weekend festival on the Bankers Hill Community and works closely every year with the Bankers Hill Community Group to minimize the impact on our neighborhood.

The Bankers Hill Community Group volunteers will again partner with San Diego Pride for this year's festival to maintain a clean Bankers Hill neighborhood throughout the festival weekend. This partnership is a win-win for the Bankers Hill Community Group, the Bankers Hill neighborhood and San Diego Pride.

The Bankers Hill Community Group strongly supports continuation of the Balboa Park location for this annual community event, and Pride's request for a City of San Diego permit.

Yours with Pride,

Bankers Hill Community Group
