Dear Fernando and 2018 Pride Team,

The Bankers Hill Community Group (BHCG) had another successful neighborhood cleanup during and after the Pride 2018 weekend, July 13-15.

There were 37 BHCG volunteers that hit the streets on Friday, Saturday and Sunday as well as early Monday morning. Over 40 trash containers were set out and liners were changed throughout the weekend. On Monday morning volunteers picked up and disposed of them.

It is a pleasure to work with Pride and address the various comments and solutions that result each year. The BHCG will evaluate adding or re-positioning trash containers within the area, but overall, each year becomes a better and more pleasant experience for the community.

We appreciate the opportunity to earn a \$1,500 donation from Pride and would like to extend an invitation to present the "big check" at our Monday, September 17 meeting.

Thank you again for partnering with the Bankers Hill Community Group and we hope you can attend our September meeting.

Sincerely,
